### Kyocera SGS Precision Tools: Health Risk Assessment

The health and safety of our associates, visitors and contractors is of the utmost importance to KSPT. In order to limit exposure of the Coronavirus (COVID-19) to our associates, we ask that all visitors complete this self-assessment prior to entering our facility.

Anyone answering “yes” to any of these questions will not be allowed into our facilities.

Have you traveled to a high-risk country (China, Italy, or any other area listed on the CDC site) in the last 14 days?

Yes     No

Have you come in close contact with someone who has traveled to any of these areas within the last 14 days?

Yes     No

In the last 14 days, have you knowingly come in close contact (living with or visiting) with someone testing positive for COVID-19?

Yes     No

Are you suffering from fever or symptoms of respiratory illness (i.e. shortness of breath, cough, breathing difficulties)?

Yes     No

I certify that the above information is accurate to the best of my ability. If I find that I have been exposed to COVID-19, it is my responsibility to inform Kyocera SGS Precision Tools so they can assess the situation for their associates.
